Message from Principal

It is indeed a matter of great pride and privilege to present the CMP news letter for the First term. Imparting education is a continuous process that demands sustained efforts on part of all the stakeholder. The various activities introduced under CMP have made learning interesting and joyful.

This news letter provides a vast canvas to tiny tots to paint their imaginations and creations. Different activities are conducted under CMP to strengthen the Primary Education as guided by NEP 2020. I extend my best wishes to all the blooming buds of Primary Wing and the teachers who have put in their best efforts to nurture them.

Message from HM I/C

It was very rightly said that "Education is a shared commitment between dedicated teachers, motivated students and enthusiastic parents with high expectations". Each child has his own unique qualities and as educators it is our responsibility to nurture and develop every learner in their formative years. Our dedicated and highly motivated team of teachers work tirelessly to ensure the opportunities for every child. The curriculum is regularly reviewed to ensure that it remains appropriate to the needs of our learners. State of the art infrastructure and modern practices effective teaching-learning process. We strongly believe in the importance of parents, teacher and administrators working in unison, thereby ensuring happy and fruitful years in the primary section.
